NDCS events are for deaf children, however limited spaces may be available to hearing siblings. Preference for these places will be given to children who have not attended an NDCS event before and who may require the support of a hearing sibling or friend on their first event.

- Final instructions will be sent to you two weeks before the event.

Cancellations

Thanks to our donors we are delighted that we can offer all NDCS events **free** of charge to our members. All we ask is that if you book your child a place on this event, then your child does attend. The actual cost of each place on this event is **£50.00** per child.

Last minute cancellations not only cost the charity money but more importantly, with the huge demand for our events, it could mean that another child has lost the opportunity to attend.

If, through unavoidable circumstances, your child is unable to attend all or a part of the event, then we ask that you let us know as soon as possible so that we can offer the place to someone on the waiting list.
